The Northern Pass Transmission Line Project
Outstanding Water Resources and Class A Surface Waters

USGS Quads: Pittsburg DE E, Pittsburg, Lowering Mountain

Date: 6/29/2016

Legend
- Proposed Route (Overhead)
- Proposed Route (Underground)
- Deerfield to Scobie Pond Route
- Municipal Boundary
- Limits of Disturbance - Stations
- Outstanding Resource and Class A Water
- Outstanding Resource Water
- Class A Water
- Off ROW Access Routes
- Outstanding Resource Watersheds
- Class A Watersheds

Sources: USGS Topo, Burns & McDonnell, NH DES

Document Path: U:\ProjectsNus\PSNH\ArcDocs\USGS_Topo_Series\PSNH_USGS_Topo_Series.mxd
The Northern Pass Transmission Line Project
Outstanding Water Resources and Class A Surface Waters

Sources: USGS Topo, Burns & McDonnell, NH DES
USGS Quads: Diamond Pond, Mount Pisgah

Legend:
- Proposed Route (Overhead)
- Proposed Route (Underground)
- Deerfield to Scobie Pond Route
- Municipal Boundary
- Limits of Disturbance - Stations
- Outstanding Resource and Class A Water
- Outstanding Resource Watersheds
- Class A Watersheds
- Off ROW Access Routes
- Class A Water
