Dear Mr. Drew:

Although Eversource-Northern Pass has not formally applied to the Site Evaluation Committee, please accept this letter as a formal application of the Holderness Conservation Commission to be an intervener when this happens. As one of the communities along the project pathway, the Holderness Conservation Commission has actively followed the project since its inception and feel that we can provide helpful information when the Site Evaluation Committee begins its work.

On behalf of the Holderness Conservation Commission,

A handwritten signature in cursive script that reads "Larry T. Spencer".
