Dear Ms. Monroe,

I hereby petition the State of New Hampshire Site Evaluation Committee to grant the Lafayette School Board full intervention status (pro se) in the proceedings for the above mentioned docket, pursuant to the New Hampshire Code of Administrative Rules, Site 202.11 and RSA 541-A:32.

I hereby request that the New Hampshire Site Evaluation Committee grant the Lafayette School Board this intervention status for the following reasons demonstrating the rights, duties, privileges and other substantial interests that would be affected by these proceedings.

The reasons that the Lafayette School Board are requesting the intervention status are student safety, access to the school during the construction process, the possible deviation from normal bus routes and the overall safety of our students.
