Docket No. 2015-06

Joint Application of Northern Pass Transmission LLC ("NPT") and Public Service Company of New Hampshire d/b/a Eversource Energy ("Eversource") for a Certificate of Site and Facility for the Construction of a New 1,090 MW Electric Transmission Line

Motion to Intervene

We, R. Eric and Margaret J. Jones (1785 Chadwick Road, Englewood, FL 34223), respectfully request to intervene in the captioned docket.

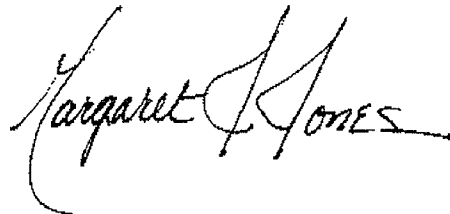

Memorandum in Support of Motion

We own a property at John Silver Road in Northumberland, NH. The property is encumbered by an easement that NPT and Eversource have applied for a Certificate of Site and Facility for the construction of high voltage transmission infra-structure for the importation of electricity from Canada. The easement is attached hereto.

NPT and PSNH do not have the right to a Certificate of Site and Facility on the easement described above because the easement did not grant such rights to PSNH or NPT. We own the rights.

We, therefore, request that we be granted the right to intervene in this docket.

Respectfully submitted,
