RE: SEC Docket No. 2015-06  
Northern Pass Transmission – Eversource

Dear Ms. Monroe,

Wagner Forest Management Ltd. Respectfully petitions to be granted intervenor status in SEC Docket No. 2015-06, pursuant to RSA 541-A:32.

Wagner is the manager of the land used for approximately 24 miles of the proposed project. The landowner for such a large portion of this project clearly has a substantial interest that may be affected by the proceeding. Having witnessed several previous proceedings before the Committee, most notably the Granite Reliable wind project (Docket 2008-04) we are familiar with the rights and responsibilities of intervenors. If granted intervenor status, we would not impair the interests of justice, or the prompt conduct of the proceedings.

Thank you for your commitment to a fair process.

Sincerely,

Tom Colgan  
President and CEO
