Re. SEC Docket No. 2015-06
Northern Pass Transmission L.L.C

Dear Ms. Monroe,

I respectfully request to intervene in the SEC's proceedings under Docket No. 2015-06 relating to the proposed Northern Pass transmission line.

I live in Easton where I own two parcels of land abutting N.H. Route 116. Approximately 400' of my land abuts Route 116. My property interest extends to the median of Route 116 and includes the land under the road (ref. Makepeace vs. Worden, 1. N.H. 16 (1816))

I dispute Northern Pass Transmission's right to excavate or use this land which is owned by me.

Northern Pass Transmission's application is thus also incomplete for SEC purposes.

Respectfully,

Campbell McLaren
