THE STATE OF NEW HAMPSHIRE
before the
SITE EVALUATION COMMITTEE

Docket No. SEC 2015-06

Application of Northern Pass Transmission LLC and Public Service Company of New
Hampshire dba Eversource Energy for a Certificate of Site and Facility

PETITION TO INTERVENE OF THE CITY OF BERLIN

The City of Berlin ("**the City**") hereby requests to intervene in this docket pursuant to RSA 541-A: 32 and Site 202.11 of the Rules of Practice and Procedure adopted by the Site Evaluation Committee ("**the SEC**") and in compliance with the SEC's Procedural Order dated December 22, 2015. In support of its Petition, the City states the following:

1. On October 19, 2015, Northern Pass Transmission, LLC and Public Service Company of New Hampshire d/b/a Eversource Energy (the "Applicants") filed an application for a Certificate of Site and Facility with the SEC.

2. The City is an "affected community" as defined in NH Admin. Rule Site 102:07 in that the City is expected to be affected by the proposed facility, including but not limited to, the City being connected to the Coos Loop Transmission Lines which are due to be upgraded as part of this project and through the benefits of the proposed North Country Job Creation Fund and of the purported increases in property tax revenue flowing from the project. See, e.g., Applicant's Application, Executive Summary pages 4 and 5, filed October 19, 2015.

3. The City is home to several renewable energy projects, including the Burgess Biomass Facility and the Smith Hydro Station, and numerous industrial and commercial businesses which would materially benefit by the upgrade of the Coos Loop Transmission Lines.

4. The City's residents would benefit from the proposed North Country Job Creation Fund and from the purported increases in property tax revenues flowing from the project.

5. The City, through its Mayor and City Council, is generally supportive of the project so long as the above referenced public interest benefits are actualized and maintained as conditions of any Certificate issued by the SEC for this project.

6. On January 18, 2016, the City Council directed the undersigned to file for Intervenor status in this Docket before the SEC.

7. RSA 541-8:32 and NH Admin. Rule Site 202.11 provide that the SEC, or its presiding officer, shall grant a Petition for Intervention if:

(1) the petition is submitted in writing to the presiding officer, with copies mailed to all parties named in the presenting officer's order of notice of the hearing, at least three days before the hearing;

(2) the petition states facts demonstrating that the petitioner's rights, duties, privileges, immunities and other substantial interests might be affected by the preceding or that the petitioner qualifies as an intervener under any provision of law; and

(3) the presiding officer determines that the interests of justice and the orderly and prompt conduct of the proceedings would not be impaired by allowing the intervention.

8. As discussed above, the proposed facility will impact the rights, duties, privileges, immunities and other substantial interests of the City. The interest of justice and orderly and prompt conduct of the proceedings will not be impaired by allowing the City full intervenor status in this Docket.

WHEREFORE, the City of Berlin requests that the City be made a full intervenor in this Docket.

Respectfully submitted,

The City of Berlin

By and through its City Attorney
