

Re: New Hampshire Site Evaluation Committee ("SEC") Docket No. 2015-06 Northern Pass  
Petition to Intervene

To Whom It May Concern:

We respectfully request to intervene in the SEC's proceedings under Docket No. 2015-06 relating to the proposed Northern Pass transmission line. Per the SEC's regulations, we are sending this request to you, with copies to the SEC's distribution list for this proceeding as noted in the "cc" below.

Our particular rights, duties, privileges, immunities or other substantial interests that may be affected by the SEC's Northern Pass proceedings include the following:

We are concerned about our home/property value. We are concerned about the new towers and the ill effects it will bring. We are concerned on the impact it will cause to our town. Every road into our town will be impacted by the sight of the towers. We will be seeing these towers day in and day out, every time we walk out the door, look out the window and enjoying time outside. Would you like to see that every day if it was your home?

Thank you for your consideration of this petition.

Sincerely,

Tim and Brigitte White
