

Good Morning Ms. Monroe,

My name is Kelly Normandeau and I reside and operate my business at 56 Sanborn Rd Concord, NH.

My property is on the current right of way, and would be devastatingly impacted, as well as my ability to operate my business should Northern Pass become a reality.

I am requesting to Intervenor Status for the SEC's docket 2015-06.

I look forward to confirmation that my request has been heard, and granted.

Thank you for your attention to this matter.

Respectfully,

Kelly Normandeau
