Subject: Petition to Intervene, SEC Docket No. 2015-06

---

Re: New Hampshire Site Evaluation Committee ("SEC") Docket No. 2015-06 Northern Pass

Petition to Intervene

Dear Ms. Monroe:

We respectfully request to intervene in the SEC's proceedings under Docket No. 2015-06 relating to the proposed Northern Pass transmission line. Per the SEC's regulations, we are sending this request to you, with copies to the SEC's distribution list for this proceeding as noted in the "cc" below.

Our particular rights, duties, privileges, immunities or other substantial interests that may be affected by the SEC's Northern Pass proceedings include the following:

The extreme degradation of the magnificent landscape and the economy of Northern New Hampshire would adversely affect our community in myriad ways; here I will point out that our property values stand to be significantly decreased. Also, our daily activities would involve a constant awareness of the ugliness and disruption the massive towers and overhead lines would cause.

Thank you for your consideration of this petition.

Sincerely,

Sandra and Paul Kamins

429 North Road

Lancaster, NH 03584

cc: SEC distribution list (as of the date of this email) for Docket No. 2015-06. Copies sent by email.
