Subject: request for extension of deadline to respond

Dear Ms. Monroe:

On Friday afternoon March 4, 2016 I spoke with Attorney Barry Needleman about requesting an extension until Friday, March 11th, 2016 for filing any response to the Applicants' request for waivers to various provisions of the new SEC rules. Attorney Needleman has graciously agreed to not contest our request for an extended deadline, but he was clear that he is not conceding we have the right to object to any of the Applicant's filings at this time.

Should AMC determine we wish to object to any or all of these waiver requests, we would appreciate the opportunity to submit our filing through the service list before close of business on Friday, March 11th.

Thank you for your consideration.

Sincerely,

Susan Arnold
