Company of New Hampshire d/b/a Eversource Energy for a Site and  
Facility for the Construction of a New High Voltage Transmission Line in

Docket No. 2015-06

**Motion to Combine the Abutters' Group 1 of Pittsburg, Clarksville,  
Stewartstown with the Non-Abutting Property Owners of Clarksville and  
Stewartstown to form a Single Intervenor Group**

In the interest of justice and the orderly and prompt conduct of the proceedings, our Abutters' Group 1 of Pittsburg, Clarksville and Stewartstown requests to be joined with the Non-Abutting Property Owners of Clarksville and Stewartstown, to form a Single Intervenor Group. We maintain this grouping would not be impaired by this combination, as many of our points of interest overlap. In addition, the original Spokesperson for the Non-Abutting Group of Clarksville and Stewartstown, Alan Robert Baker, is unable to fulfill this responsibility of Spokesperson, due to health issues.

**WHEREFORE**, the Abutters' Group I, of Pittsburg, Clarksville and Stewartstown, along with the Non-Abutters Group of Clarksville and Stewartstown, respectfully request the Site Evaluation Committee to allow the combination of these two intervening groups, the Abutters Group 1 of

Pittsburg, Clarksville and Stewartstown, and the Non-Abutters Group of Clarksville and Stewartstown, to form a single Intervening Group, to be re-named the **Abutters and Non-Abutters, Group 1, Pittsburg, Clarksville and Stewartstown.**

Respectfully Submitted,
