Docket No. 2015-06

Joint Application of Northern Pass Transmission LLC ("NPT") and
Public Service Company of New Hampshire d/b/a Eversource Energy
("Eversource") for a Certificate of Site and Facility for the Construction
of a New High Voltage Electric Transmission Line and Related Facilities in
New Hampshire

March 31, 2017

Philip and Joan Bilodeau, Intervenors, file this Objection to Applicant's Motion to Strike Supplemental Pre-filed Testimony of Philip and Joan Bilodeau, and ask that Applicant's Motion be DENIED, and states:

1. On November 15, 2016 Philip and Joan Bilodeau submitted our pre-filed testimony as required.
2. On January 23, 2017 Philip and Joan Bilodeau offered testimony in support of our pre-filed testimony.
3. The applicant chose not to question Philip and Joan Bilodeau.
4. Philip and Joan Bilodeau object to the characterization that our testimony has "no probative value to the testimony and cross-examination will not assist the Committee in making its determinations".
5. Philip and Joan Bilodeau object to the characterization that our "pre-filed testimony consists solely of conclusions, beliefs, or concerns that do not rise to the level of admissible evidence but should be treated as argument or comment".
6. Philip and Joan Bilodeau believe that we are materially affected by the Northern Pass Project and should be provided our due justice in any and all proceedings.

For these reasons Philip and Joan Bilodeau request that ask that Applicant's Motion be DENIED.
