PITTSBURG-CLARKSVILLE-STEWARTSTOWN,
GROUP I NORTH

**AMENDED MOTION TO CLARIFY THE SHOWING OF THE INTERVENORS'
GROUP VIDEO TO THE SITE EVALUATION COMMITTEE**

Summary

1. The Group I North Intervenors' video was submitted with Track 1 pre-filed testimony in November of 2016, with a description of its purpose to these proceedings.
2. The Applicants objected to this video as evidence, and therefore, being shown.
3. The Objection was over ruled by the Site Evaluation Committee.
4. The Applicant then requested that all participants be present at the hearings when the video is shown, in order that they may be cross-examined by the Applicant, and/or any other Intervenors' spokespersons.
5. The Intervenors of Group I North, Abutters and Non-Abutters of Pittsburg, Clarksville, and Stewartstown, have agreed to this request.
6. **It is recognized, however, that the attorneys at McLane, Middleton, as representatives of the Applicant, do not agree to the video being shown.**
7. **The Applicant does agree to a scheduled hearing date, and will remain flexible in the scheduling.**
8. **The Intervenor Group I North's spokesperson, Brad Thompson, will work with the SEC in selecting a scheduled hearing day, most likely in October, that will be equally convenient for all participants of the video to be present, for the showing of the video and for the follow-up questions.**
9. The video participants are: Brad Thompson, Stewartstown; John and Cindy Lou Amey, Pittsburg; Don and Diane Bilodeau, Clarksville; Jason Balint, Colebrook and Gilford; Bette Guerin, Colebrook; John Harrigan, Colebrook; Martin Kaufman, Stewartstown; Rod McAllaster, Stewartstown.

Respectfully submitted,

Bradley J. Thompson
