

STATE OF NEW HAMPSHIRE SITE EVALUATION COMMITTEE

Docket No. 2015-06

March 17, 2017

**Joint Application of Northern Pass Transmission, LLC  
and Public Service Company of New Hampshire  
d/b/a Eversource Energy for a Certificate of Site and Facility**

**REVISED TECHNICAL SESSION SCHEDULE**

Consistent with the current procedural schedule, a technical session agenda was issued in this docket on February 13, 2017. Due to inclement weather, the technical sessions scheduled on March 14 and 15 were postponed and a revised agenda was distributed on March 14. The March 14 agenda is revised as set-forth below, at it relates to Mr. Dodson, a witness for the Society for Protection of New Hampshire Forests.

The technical sessions will be held at 49 Donovan Street, Concord, NH. Please note that all of the published times are estimated.

---

<sup>1</sup> If questions for the AMC panel are completed before the end of the day, we will start with questions for Mr. Dodson. In the event that we finish with both the AMC panel and Mr. Dodson on March 23, then the session on March 24 will conclude with the questions for the Dewberry panel.

<sup>2</sup> Mr. Bascom is not available on this date and will be rescheduled.

**2. Order of Inquiry and Procedures.** The order of inquiry for each witness/panel will begin with the Applicant for each scheduled day. Once the Applicant has completed its questions, Counsel for the Public and the Intervenors will be allowed to ask additional questions; however, repetitive questions will not be allowed. The purpose of the technical session is to exchange information. Inquiries shall be in the form of a question and shall not be argumentative. Questions to witnesses should be limited to issues pertaining to the witness's field of expertise, pre-filed testimony, and should be within the scope of the adjudicative proceeding. Questions regarding qualifications of witnesses will also be allowed. If a proper question or inquiry cannot be answered at the time of the technical session, the Administrator will note the data request, and will issue a written report with a date by which the information must be provided in writing. Said answers are to be distributed to the parties only service list and shall not be copied to the Committee.

**3. Mediation of Disputes.** Counsel for the Committee or the Administrator will mediate any disputes regarding inquiries and requests for information, and will maintain a list of documents or additional answers requested by the parties. To the extent that any party is aggrieved by the handling of any inquiry, question or document request, that party shall file an appropriate motion for discovery, objection to discovery, or motion for a protective order. All motions and/or objections shall be directed to the Presiding Officer and shall comply with the Committee's Procedural Rules and the Procedural Order issued in this docket.
