

**STATE OF NEW HAMPSHIRE  
SITE EVALUATION COMMITTEE**

**Docket No. 2015-06**

**Joint Application of Northern Pass Transmission, LLC  
and Public Service Company of New Hampshire  
d/b/a Eversource Energy for a Certificate of Site and Facility**

**March 30, 2017**

**NOTICE AND ORDER OF SITE VISITS**

This notice and order establishes the schedule and locations for two additional days of site visits.

**I. Background**

The Subcommittee conducted site visits in this docket on March 7, 8, 14, and 16, 2016. On January 31, 2017, Counsel for the Public filed a Motion for Additional Site Inspections. On March 1, 2017, an Order was issued providing for two additional days of site visits and directing the parties to develop and submit a reasonable two-day schedule within 10 days. On March 15, Counsel for the Public submitted a list of proposed stops over two days and a third day for the 7.5 miles of underground burial route in Clarksville and Stewartstown where the road is closed until May 1.

This notice adopts Counsel for the Public's list of proposed stops over two days and establishes the estimated timeframe for the site visits and the procedure that will be followed. Counsel for the Public shall re-submit a proposed schedule, with estimated timeframes for each stop, once the roads in the 7.5 mile underground route are open and passable.

**II. Notice of Site Visits, Schedule, and Procedure**

Pursuant to the N.H. CODE OF ADMIN. RULES, Site 202.13, and the Order issued on March 1, 2017, site visits will be conducted on **April 6 and 7, 2017**. The site visits will include

the locations to be viewed and the stops listed in **Attachment A**. On **April 6**, the site visit will commence at **8:00 a.m.** at **49 Donovan Street, Concord** and will pick up all passengers at that location. On **April 7**, the site visit will pick-up passengers and commence at **8:00 a.m.** at **49 Donovan Street, Concord** and will also stop to pick-up passengers at the **Exit 23 Park and Ride** at **8:45 a.m.**, to allow the parties coming from the north to board the bus.

All times set forth are estimated and may be affected by weather, traffic, the amount of time at each stop, or other things beyond the control of the Subcommittee. Every effort will be made to finish the site visit within the specified timeframe, which may necessitate driving by, without stopping, at some of the listed sites.

All intervenors in this docket may attend the site visit. Please wear weather appropriate footwear and clothing and bring a lunch. Transportation for the site visit will be provided on a first-come, first-served basis. Those wishing to attend the site visit shall notify Pamela Monroe, Administrator, via e-mail at [Pamela.monroe@sec.nh.gov](mailto:Pamela.monroe@sec.nh.gov), no later than **April 4, 2017**.

Members of the public may attend the site visit at their own risk and expense. However, the weather and terrain may require the Subcommittee to limit the extent of public participation in order to assure the safety of the Subcommittee, the parties, and the public.

SO ORDERED, this thirtieth day of March, 2017.

---

Martin P. Honigberg, Presiding Officer  
Site Evaluation Committee
