

**STATE OF NEW HAMPSHIRE
SITE EVALUATION COMMITTEE**

Docket No. 2015-06

**Joint Application of Northern Pass Transmission, LLC
and Public Service Company of New Hampshire
d/b/a Eversource Energy for a Certificate of Site and Facility**

September 15, 2017

NOTICE AND ORDER OF SITE VISIT

This notice and order establishes the schedule and locations for one additional day of site visits.

I. Background

The Subcommittee conducted site visits in this docket on March 7, 8, 14, and 16, 2016 and on July 27 and 28, 2017. On July 25, 2017, Municipal Groups 1 South, 2, 3 South, and 3 North (Municipalities) filed a Motion for Additional Site Inspections, requesting two additional days of site visits. On August 25, an Order was issued directing the Municipalities to submit a revised list of proposed sites that encompassed no more than one eight hour day. On August 28, the Municipalities submitted a revised list of proposed sites.

On September 5, 2017, a Notice of Site Visit Date was issued, scheduling the site visit on October 3, 2017.

II. Notice of Site Visits, Schedule, and Procedure

Pursuant to the N.H. CODE OF ADMIN. RULES Site 202.13, a site visit will be conducted on **October 3, 2017**. The site visits will include the locations to be viewed and the stops listed in **Attachment A**. The site visit will commence and pick-up passengers between **7:45 a.m. and 8:00 a.m.** at **49 Donovan Street, Concord**.

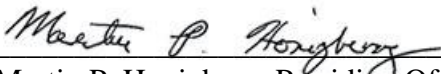

All the times set forth in Attachment A are estimated and may be affected by weather, traffic, the amount of time at each stop, or other things beyond the control of the Subcommittee. Circumstances may also arise that could result in the Subcommittee arriving and leaving earlier and/or later than projected. Every effort will be made to finish the site visit within the specified timeframe, which may necessitate driving by, without stopping, at some of the listed sites.

All intervenors in this docket may attend the site visit. Please wear weather appropriate footwear and clothing and bring refreshments and a lunch. Transportation for the site visit will be provided on a first-come, first-served basis. Those wishing to attend the site visit shall notify Pamela Monroe, Administrator, via e-mail at Pamela.monroe@sec.nh.gov, no later than **September 25, 2017**.

Members of the public may attend the site visit at their own risk and expense. However, the weather and terrain may require the Subcommittee to limit the extent of public participation in order to assure the safety of the Subcommittee, the parties, and the public.

In order to ensure the orderly conduct of the site visit, spokespersons for the parties shall be limited to Counsel for the Public and Counsel for the Applicant.

SO ORDERED, this 15th day of September, 2017.

Martin P. Honigberg, Presiding Officer
Site Evaluation Committee
