

**THE STATE OF NEW HAMPSHIRE
SITE EVALUATION COMMITTEE**

Joint Application of Northern Pass Transmission, LLC and Public Service Company of New Hampshire d/b/a Eversource Energy for a Certificate of Site and Facility for the Construction of a New High Voltage Transmission Line in New Hampshire

Docket No. 2015-06

**GRAFTON COUNTY COMMISSIONER'S
NOTICE OF CROSS-EXAMINATION (ROUND 1)**

The Grafton County Commissioners hereby submit the following list notifying the Subcommittee of the Site Evaluation Committee its notice of cross-examination for Round 1 in accordance with the Order dated September 12, 2017 (“Order”). By submitting this list, the Grafton County Commissioners do not waive any procedural due process arguments, the right to seek a rehearing and/or to otherwise seek review of the Order in accordance with the law. The Grafton County Commissioners further do not waive the right to add and/or or remove the areas of questions referenced in the foregoing list to the extent there are developments in the record as of the date of the filing of this notice and/or it is determined during preparation or the examination of witnesses that additional areas of questions are necessary to a full and true disclosure of the facts.

WITNESS PANEL	ADVERSE/ NON-ADVERSE	AREA OF QUESTIONS AND OFFER OF PROOF
Grafton County Commissioners		
<u>TBD</u>	Non-Adverse	<p>Topics Include:</p> <p>Construction Disruption - Questions about concerns raised by municipalities in this group and other intervenors, as well as supplemental testimony submitted on April 17, 2017 and/or trial testimony of Northern Pass witnesses (<i>i.e.</i>, construction, local economic benefits, tourism, property value and orderly development witnesses), relative to the use of access roads and general construction disruptions, and whether proposed MOUs could address and satisfy those concerns.</p> <p>Local Permit Requirements and Applicable Ordinance, Regulations, and Master Plan - Questions about concerns raised by municipalities in this group and other intervenors, as well as supplemental testimony submitted on April 17, 2017 and/or trial testimony of Northern Pass witnesses (<i>i.e.</i>, orderly development, aesthetics and construction witnesses) relative to concerns about compliance with local permit requirements, ordinances, regulations, and master plans, and whether proposed MOUs could address and satisfy those concerns.</p> <p>Construction Design /Visual Impact (Scenic Resources, Maintaining Rural Landscape, General Community Attractiveness and Specific/General Property Issues) - Questions about concerns raised by municipalities in this group and other intervenors, as well as supplemental testimony submitted on April 17, 2017 and/or trial testimony of Northern Pass witnesses (<i>i.e.</i>, construction, aesthetics, property values, tourism and orderly development witnesses), relative to concerns raised by the towns about the proposed construction design and visual impact concerns including scenic resources, rural landscape, community attractiveness, consistency with master plan, property issues and discussion of new utility corridor.</p> <p>Local Economic Benefits: Questions about trial testimony of Northern Pass</p>
