d/b/a Eversource Energy:)
Joint Application for a Certificate of Site and)
Facility for Construction of a New High Voltage)
Electric Transmission Line in New Hampshire)

SEC DOCKET No. 2015-06

**INTERNATIONAL BROTHERHOOD OF ELECTRICAL WORKERS'
NOTICE OF CROSS-EXAMINATION**

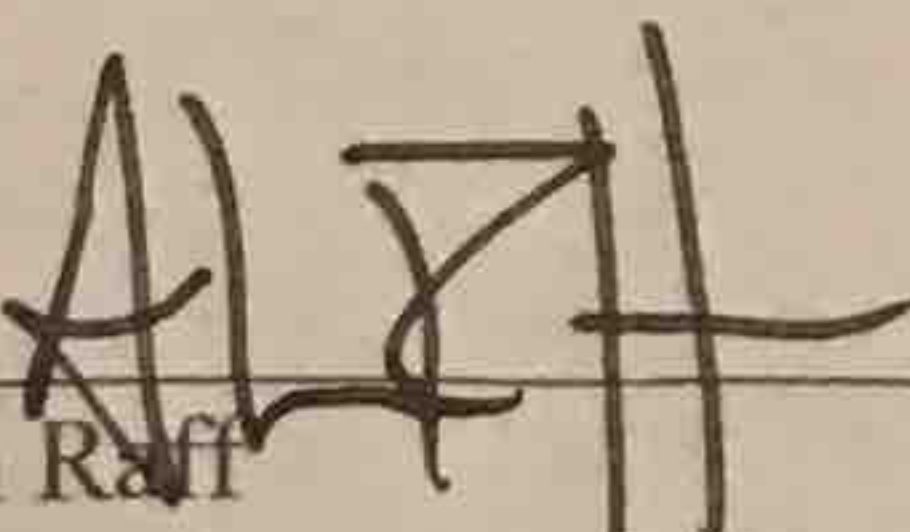

The International Brotherhood of Electrical Workers ("IBEW") hereby submits this notice of cross-examination pursuant to the Subcommittee's September 12, 2017 Order, and says:

As of the date of this notice, the IBEW does not anticipate the need to cross-examine Counsel for the Public's witnesses or other intervenor's witnesses in this matter. However, the IBEW reserves the right to cross-examine any of the remaining witnesses should the witnesses' testimony impact the IBEW's interests in this proceeding and, therefore, require further exploration through questioning by the IBEW, or in the event there are changes in the record subsequent to the filing of this notice that require cross-examination. Under such circumstances, the IBEW avers that cross-examination would be necessary for the full and true disclosure of the facts in this matter.

Respectfully submitted,
INTERNATIONAL BROTHERHOOD OF
ELECTRICAL WORKERS

By Its Attorney,
