

THE STATE OF NEW HAMPSHIRE SITE EVALUATION COMMITTEE

Joint Application of Northern Pass Transmission, LLC and Public Service Company of New Hampshire d/b/a Eversource Energy for a Certificate of Site and Facility for the Construction of a New High Voltage Transmission Line in New Hampshire

Docket No. 2015-06

NON-ABUTTING PROPERTY OWNERS BETHLEHEM TO PLYMOUTH

NOTICE OF CROSS-EXAMINATION

The Non-abutting Property Owners Bethlehem to Plymouth submit the following list notifying the Subcommittee of the non-adverse witnesses whom we intend to cross examine. By submitting this list, we reserve the right to procedural due process arguments, to seek a rehearing, and to otherwise seek review of the September 12, 2017 Order in accordance with the law. We further reserve the right to add topics in the following list if we determine that additional areas of questions are necessary to a full and true disclosure of the facts or to remove topics in the following list.

These examinations are necessary to a full and true disclosure of the facts because they will provide an opportunity to further examine and/or clarify information provided in intervenor pre-filed testimony; respond to relevant issues that were raised by applicants and Counsel for the Public in their supplemental pre-filed testimony; address information about the proposed project that has been submitted since the filing of the pre-filed and supplemental testimony;

and respond to relevant facts and exhibits introduced during trial during cross-examinations and redirect examinations.

A copy of this notice has been submitted electronically to the service list for this docket.

Respectfully submitted,

Non-abutting Property Owners Bethlehem to Plymouth
