In regard to high voltage electrical transmission lines, the Stewartstown Board of Selectmen, on behalf of the residents of Stewartstown, stand by the vote of the residents, in regard to said lines, at the annual Stewartstown town meetings held in 2010 and 2011.

Stewartstown Annual Meeting, Tuesday 8 March 2010;

Article 3 States – “ To see if the Town will vote to register and disseminate to all concerned its objection, opposition and commitment to stop the construction of any portion of the 1200 Megawatt High Voltage Direct Current Transmission Line in the Town of Stewartstown as presently proposed by Northeast Utilities, NStar and Hydro-Quebec since such a huge scar constructed and erected through and above the Town’s treasured residential and scenic private properties will cause inestimable damage to the orderly economic development of the Town, its economy, and the health and wellbeing of its residents; or to take any other action relative thereto. (By Petition) (Majority Vote Required)”

Vote: Passed in the Affirmative

Stewartstown Annual Meeting, Tuesday 13 March 2011;

Article 7 States in Part – “.....Therefore, the undersigned citizens of Stewartstown, by petition, respectfully ask the town to adopt the following Directive. Other than high voltage electrical transmission lines in existence as of the effective date of this Directive, there shall be no further overhead development of alternating current or direct current high voltage transmission lines within the borders of the Town of Stewartstown. All such future electrical transmission lines must be placed underground within power line rights of way or within yet to be established power line corridors and installed in a manner approved by the State of New Hampshire’s Public utility Commission and/or Department of Transportation. Distribution lines carrying electrical power and other utility lines such as telephone and cable television for local residential or commercial use may continue to be installed above ground, but undergoing of such lines, is strongly recommended and encouraged. This Directive shall take effect immediately upon its passage.” (By Petition) (Majority Vote Required)

Vote: Passed in the Affirmative

Respectfully submitted,

Stewartstown Selectboard
