>

> I'm getting a little tired of all the back and forth about this fiasco!

> The last time I checked, Canada was a foreign country. Who the hell

> are they to dictate the rules of this game to the residents of this

> state?

> Bury every inch of it or can the whole project. Better still, scrap

> the whole thing all together! Like someone in the Laconia paper said,

> you can put lipstick on a pig...it's still a pig! No cooperation from

> this citizen!
