RE: Joint application of Northern Pass
Transmission LLC and
Public Service Company of New Hampshire.
d/H/a Eversource Energy for a
Certificate of Site and Facility, New
Hampshire Site Evaluation Committee
Docket No. 2015-06

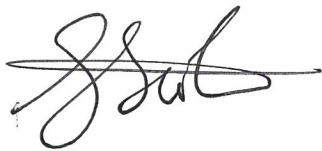

Dear Ms. Monroe,

We own land and property on both sides
and under Route 116 in Franconia where
NPT proposes to use for its underground
electric transmission lines.

We believe that NPT's application
is incomplete because it has not established
its rights or secured our permission to
excavate earth, tunnel under a brook, and
operate through or utilize our land.

Very Truly Yours

G. PETER GROTE
