Re: SEC Docket 2015-06

Good Morning Chairman Honigberg,

As Coos County Commissioner representing District Three I am at this time requesting intervener Status for the proposed Northern Pass Transmission project, SEC Docket 2015-06. The towns affected in my district include: Pittsburg, Clarksville, Stewartstown, Dummer, Stark and Groveton or Northumberland. Also affected are the Unincorporated Places of Dixville and Millsfield. As you can see, my district is the most affected district in this entire proposed project.

I am at this time respectfully requesting that the SEC schedule one meeting in the town of Colebrook for Coos County. Due to the size of our county and my district the DOE has rescheduled one of their meetings for Colebrook and a second one for Whitefield. I feel the SEC should do no less for the citizens of Coos County.

My contact information is:

Rick Samson
Coos County Commissioner District Three
804 Piper Hill Road
Stewartstown NH 03576
(603) 246-3570

Thank you in advance for your prompt attention to my requests.

Respectfully,
Rick Samson
