Subject: Northern Pass

Hi Pamela:

I am a resident of 139 Castle Hill Rd., Windham, NH 03087.

I am in favor of the northern pass proposal for hydroelectric power to be delivered to the people of New Hampshire.

The people of New Hampshire need reliable sources of electric power and energy.

Please make my views known on this important project.

Any questions, please advise.

Regards always,

Richard J. Florino, Jr.
