Thank you, Pam,

If the public council has not requested a postponement of date, then I am requesting a postponement of this hearing until early June.

I appreciate your hard work on this issue.

Dear Ms. Moran—

I will send your concerns to the committee and have this posted to the website. Just for my understanding, who is the Public Council that you are referring to below? If you are referring to the Counsel for the Public, I am not aware that he filed a request to reschedule the Public Hearing that is scheduled for May 19, 2016. The notice of the public hearing was published on May 4, 2016 and can be found via the following link: http://www.nhsec.nh.gov/projects/2015-06/orders-notices/2015-06_2016-05-04_order_notice_hearing_pending_motions_public_hearing.pdf.

Sincerely,
Pam

Subject: SEC Northern Pass meeting scheduled for this week

Hello Pam,

I am very dismayed that the SEC hastily scheduled a public hearing for this week, based on information that the Northern Pass should have put out to the public long ago, but didn't. I am booked solid and

have many other meetings already scheduled. I can't reschedule meetings that conflict with the Thursday, May 19th meeting, which is also a conflict for many here in the Colebrook area.

I am requesting that you please reschedule this meeting according to the request of our Public Council.

Thank you,

Julie Moran
