Subject: No Northern Pass!!!

Hello Pamela,

I am writing to voice my opposition to the proposed Northern Pass project. I am very passionate about protecting our open spaces and natural heritage. We can not and should not compromise the beauty of our state and the high quality of life that we enjoy here in NH. The Northern Pass is looking to exploit the residents of NH and the unspoiled rural character of our state. I ask you to examine the negative impact this project would have on us. I am a resident of Meredith, have a wife and two young children, I love this state and all the opportunities it provides. Please do not allow this project to move forward.

I appreciate your time,

Eric Stevenson
