To: Monroe, Pamela

Subject: Northern Pass

Hello Pamela,

My name is Jeff Williams and our family lives in Laconia NH. We moved here 5 years ago so that we could enjoy the natural beauty and recreational opportunities that this area offers. The technology exists to bury this line just like other similar projects in the northeast. There is no need to mar our landscape with 19th century technology just so Eversource can maximize it's profits.

Thanks for your time,

Jeff Williams
