Dear Mrs. Monroe ,

Please put me on record for the SEC Meeting , that I am absolutely against Northern Pass in ANY form - towers or trenches . It is NOT NEEDED ! I have done the research for the other New England states involved - Rhode Island , Massachusetts , Maine , Connecticut , and Vermont . The Carsey Report also backs up what I've found and what I have said publicly at a number of the meetings held at the Mt. View Grand in Whitefield , NH , through these 6 1/2 years of trying to stop completely Northern Pass .
