Neither I nor my husband do not want in any way shape or form the Northern Pass Project. It is unnecessary and its all about money. Its so obvious! We need to preserve the beauty that we have here in this beautiful state of NH. I love living in this state and so many others do to because of its natural beauty. It is so important to protect this natural beauty. Please please! Do not let this Northern Pass Project go through!!

P.S . My husband is a lineman and has been for 15 years and he is dead set against it! He knows there are a lot of lies regarding this project. Money is not everything!! Save New Hampshire!!

No Northern Pass!!!!!!!!!!!!!!!!!!!!!!
