Subject: No to Northern Pass
Date: Thursday, June 1, 2017 6:56:05 PM

My Name is Peter Miller
Stonemaps83@gmail.com
44 Mahala way
Barrington, NH

Do not let northern pass go through,
Once again this will be a project that creates few jobs most of which will probably be let go to out of state contractors.
Electric prices don't go down. This will only increase our bills in the long run.

I am opposed to this ruining our landscape

Progress does not need development. We need innovation not more power lines
