SECDocket	2015-06 Northern Pass Transmission - Eversource
CommenterName	John Reardon
CommenterCity	Allenstown
DateReceived	06-27-2017

CommenterWords

Why push this on us? Surely it will cost us more in the end ,As every other deal the PUC has overseen .Power will be transferd to the grid not NH. Eversource says towns will benefit from taxes recieved. Where is this money coming from, Increased rates or hidden charges on Bills we already dont understand.
