

## SEC COMMENTS COLLECTION

SECDocket	2015-06 Northern Pass Transmission - Eversource
CommenterName	Laura Mammarelli
CommenterCity	Holderness
DateReceived	06-27-2017

### CommenterWords

Please do not continue with the plan to install the Northern Pass through New Hampshire. It will do permanent damage to our beautiful, irreplaceable environment, for little gain. Other energy sources with long term benefits need to be developed.

I am deeply and completely opposed to this project.
