

## SEC COMMENTS COLLECTION

SECDocket	2015-06 Northern Pass Transmission - Eversource
CommenterName	Jason Wilkin
CommenterCity	Colebrook
DateReceived	06-27-2017

### CommenterWords

This Transmission is to destructive to our native wildlife , or at least will disrupt wildlife habitats. Why can't the Transmission line be buried underground like the gas line for the area? Spend the money and you might have a better chance with the citizens of our area. Thanks for your consideration?
