your going to destroy this quiet little town with your massive powerlines!  
I'll be able to hear them humming for miles, all the wildlife around here will be affected.  
I know my voice wont be heard because all you care about is massive amounts of MONEY\$\$\$\$\$\$\$\$\$\$\$ !!!!!!!  
Which you will be taking from ME when my property value drops like a stone !!  
The only way I will concede to your NORTHERN PASS is if you BUIRY EVERY INCH UNDERGROUND !!!
