Dear Sir/Madam,

I would clearly like to state that I am OPPOSED to the Northern Pass proposal. It will not help our NH workers or citizens. It will be a blight on our beautiful state. The fact that it is being pushed down our throats is insulting. The implication that it will improve our economy is false and short-sighted. I would like you to know that many of my neighbors are opposed to this as I am. Do not be fooled by Big Business at the expense of our uniquely beautiful environment and the good people of New Hampshire. Vote NO.

Sincerely,
M. Kate Nagy
