Subject: Northern Pass Proposal
Date: Friday, July 7, 2017 5:34:05 PM

Dear SEC -

I urge you not to support the Northern Pass Proposal. It is very shortsighted in its consideration of the environment, New Hampshire residents and aesthetics. The Northern Pass is a corporate move to enhance its bottom line, indifferent to the potential damage to forests, wildlife, citizens and the beauty of the countryside.

In hopes you will honor the thoughtful sentiment of all those citizens who are against this proposal,

Gwendolyn P. Dhesi
