SECDocket	2015-06 Northern Pass Transmission - Eversource
CommenterName	Arielle McBride
CommenterCity	Franklin
DateReceived	07-09-2017

### CommenterWords

Northern pass will take away the beauty we have in NH. We moved to Franklin to be around the beautiful scenery and don't want to see power lines being put up everywhere. Find another way to maintain nh's beauty while improving energy sources. But it's not worth the cost of the beautiful landscape here.
