Subject: To bury or not to bury?
Date: Monday, July 10, 2017 7:41:56 PM

The Pass has NOT been approved so I ask that you present the question to the people to allow the pass or not, before assuming that it is approved and has to be defined as a buried or not entity. !!!

I think the people of the state of NH have spoken time and again while the elitism of political assumed power is NOT listening. NO to Northern Pass!!!!!!!!!!!!!!!!!!!!!!!!

thank you,
