SECDocket	2015-06 Northern Pass Transmission - Eversource
CommenterName	Chad Fillion
CommenterCity	Lancaster
DateReceived	07-11-2017

### CommenterWords

There is absolutely no feasible reason why an effort such as this shouldn't be buried from one end to the other. I am in opposition of the northern pass and would prefer it if a project like this didn't scar our viewshed and beautiful landscape.
