SECDocket	2015-06 Northern Pass Transmission - Eversource
CommenterName	Bill Ryan
CommenterCity	Henniker
DateReceived	07-13-2017

CommenterWords

Please do not allow a project that destroys our environment, offers our state no actual benefit and only serves to make Eversource wealthy. The Northern Pass Project is not a project that New Hampshire residents need or want. Why not foster develop in clean energy sources such as solar and wind.
