Dear Miss Monroe, I am requesting the tour in Coos Country beginning at the Mt View Hotel on July 27, include the Scenic Highway Rt 3 from Twin Mt (Carroll) to Whitefield. Not only will this beautiful scenic highway be greatly affected by the towers, the magnificent views from my historic landmark Rolling Hills Farm will also be devastatingly impacted by the towers. Hundreds of tourists stop by along this highway to take pictures all four seasons. I would appreciate the SEC's thoughtfulness and fairness to place the lines underground in this vicinity.

Thank you.

Wendy Doran. Rolling Hills Farm. Whitefield NH
