**Subject:** Northern pass thru concord and allowing more time for traveling tribal group from Canada  
**Date:** Wednesday, July 19, 2017 8:20:06 PM

---

Leave our state capitol clear of unwanted visual destruction. Say no to this project wherever it affects the Beauty and symmetry of our state buildings and conservation lands. Do not allow this route. The view of concords capitol will be seen through this project. Also please be open to allowing the Canadian tribal visitors time to plead their case.
