

## SEC COMMENTS COLLECTION

SECDocket	2015-06 Northern Pass Transmission - Eversource
CommenterName	John Frasier
CommenterCity	Concord
DateReceived	07-23-2017

### CommenterWords

Dear SEC Members:

We oppose Northern Pass. For the five pennies a day the average ratepayer will save in electricity costs, our north country will be forever scarred, and our capital city will be blighted with steel monopoles soaring 100 to 165 feet into the sky in replacement of the existing 50 foot high wooden poles that run level with the tree-line.

A picture is worth a thousand words. Please take a look on Eversource's website at the photo simulations of where Northern Pass will cross the Pemigewasset River in New Hampton to see one example of the ugliness that Northern Pass will inflict on our beautiful state.

[http://www.northernpass.us/assets/2015 Photo Simulations/20\\_PEMIGEWASSET RIVER - NEW HAMPTON.pdf](http://www.northernpass.us/assets/2015%20Photo%20Simulations/20_PEMIGEWASSET%20RIVER%20-%20NEW%20HAMPTON.pdf)

We would greatly appreciate your opposition to this project.

John and Kathy Frasier  
Concord, NH
