### CommenterWords

NORTHERN PASS IS NOT NEEDED IN NEW HAMPSHIRE!

It will not benefit NH but it will definetly destroy our beautiful state.

If they refuse to bury it the entire length of NH then it should not be allowed to be built at all. NO NORTHERN PASS.

As a landowner in Pittsburg & West Stewartstown, I have been against this project from the beginning in 2010.

Will all the opposition, I would think that the SEC would deny it.
