

## SEC COMMENTS COLLECTION

SECDocket	2015-06 Northern Pass Transmission - Eversource
CommenterName	Peter Bolton
CommenterCity	Plymouth
DateReceived	09-07-2017

### CommenterWords

as the northern pas project is currently proposed it is obvious that the majority of the NH taxpayers, residents, and visitors to our fine state are opposed to this proposal. As a representative of this state as a member of the site evaluation committee you should feel obligated to reflect the opposition to this project. I implore that you listen to the residents, towns, cities and reject this project and reject this proposal as it stands now.
