Dear Pamela Monroe,
With so little to gain and so much to lose.....Northern Pass should not be approved.
It seems to me...the people of New Hampshire have overwhelmingly opposed this from the beginning.
We do not want to see our state disfigured for the benefit of a select few, namely HydroQuebec.
We want to be heard!
And we are speaking loudly!
I hope the committee will reject this project's certificate to prevent it from harming our state.

Thank you.
Sincerely,
Sean Williams
