Brentwood, NH 03833

September 22, 2017

Dear Pamela Monroe,

As a resident of Brentwood New Hampshire, our family hopes the SEC will reject Northern Pass's certificate.

We are camping and hiking enthusiasts and view the landscape and natural beauty of NH as its greatest asset and contributor to quality of life. The benefit of Northern Pass to NH has not been demonstrated and we urge you to reject Northern Pass in its current form.

Thank you.

Sincerely,  
Robert Leet
