Dear Pamela Monroe,

As a resident of New Hampshire I demand the SEC reject Northern Pass's certificate.

New Hampshire does not need this \$1.6 billion project. The transmission towers and lines are going to have a horrible effect on the landscape, historic sites, and the environment in New Hampshire. The transmission line also will not serve our state, as it merely passes through .

Reject this project's certificate to prevent it from harming our state.

Thank you.

Sincerely,
Richard Brunner
