Dear Pamela Monroe,

As a resident of New Hampshire I hope the SEC will reject Northern Pass's certificate.

There is no clear explanation of the long term benefit to the state of New Hampshire. Yes there would be jobs for building the project. Will a majority of those jobs employ NH residents? But are those temporary? Would there be a loss in tourist dollars?

I hope the committee will reject this project's certificate to prevent it from harming our state.

Thank you.

Sincerely,
Margareta Buczala
